

Frequently Asked Questions

Last Updated: August 18, 2026

Orders

How can I place an order?

Select the product you want, add it to your cart, proceed to checkout, provide your shipping information, select a payment method, and confirm the order.

Can I cancel my order?

An order may be cancelled if it has not yet been shipped. Once an order has been shipped, cancellation may no longer be available.

How can I check my order status?

You can check your order status using the order tracking information provided after shipment.

Shipping

How long does shipping take?

Standard shipping generally takes **3–7 business days** after order processing. Express shipping generally takes **1–3 business days**.

When will my order be shipped?

Orders are normally processed within **1–3 business days** after payment confirmation.

How can I track my shipment?

Once your order has been shipped, tracking information will be provided when tracking is available.

Why is my order delayed?

Orders can be delayed because of courier issues, weather, holidays, high order volumes, incorrect address information, or other unexpected circumstances.

Returns and Refunds

Can I return a damaged product?

Yes. If you receive a damaged or defective product, contact customer support as soon as possible with your order number and photos of the damage.

How do I request a refund?

Contact customer support with your order number and the reason for the refund. Additional information or evidence may be requested.

How long does a refund take?

After a refund is approved, processing time depends on the payment provider or bank.

Will I receive a full refund?

If the refund request meets the applicable refund conditions, a full refund may be provided. In some situations, a replacement, partial refund, or store credit may be offered instead.

Are all products eligible for refunds?

No. Certain products, including customized products, consumed digital products, and products damaged through misuse, may not qualify for a refund.

Payments

What payment methods are supported?

Available payment methods are displayed during checkout and may vary depending on the customer's location.

What should I do if my payment was successful but my order was not created?

Contact customer support and provide your payment confirmation and any available transaction or order details.

Customer Support

How do I contact customer support?

Contact customer support through the support channel provided on the website. Include your order number whenever possible so the issue can be resolved faster.

What information should I provide when contacting support?

For order-related issues, provide your order number, registered contact information, a description of the issue, and relevant photos or documents when applicable.

Policy Information

Where can I find the refund policy?

The complete refund terms are available in the **Refund Policy** document.

Where can I find shipping information?

The complete shipping terms are available in the **Shipping Policy** document.

Can these policies change?

Yes. Policies may be updated periodically. Customers should refer to the latest published version for current terms.
